Education

Madras Institute of Technology, Anna University

Aug 2023 – May 2027

B.Tech in Information Technology

Chennai, India

– CGPA: 7.8/10 (Till 3rd Semester)

Desia Matric Hr. Sec. School

2023

HSC - Tamil Nadu State Board

Chennai, India

Technical Skills

- **Languages:** C, C++, Python, JavaScript, HTML5, CSS3, SQL
- **Frameworks/Libraries:** React.js, Node.js, Material UI, MongoDB, Pandas, NumPy
- **Technical Skills:** Data Structures, DBMS, OOPS, Web Development, Machine Learning
- **Soft Skills:** Collaborative Teamwork, Creative Problem Solving, Adaptability & Continuous Learning

Experience

Computer Society of MIT (CSMIT)

Dec 2023 – Present

Web Dev Team - Junior Executive

Chennai, India

– Revamped college club website; built responsive pages and improved UX using HTML, CSS, JavaScript.

Dental Website Project

Feb 2024 – Apr 2024

Frontend Developer

Remote

– Led frontend in a 7-member team using React.js. Built reusable components and form validations.

– Implemented LocalStorage for data persistence and responsive layouts.

Projects

Dental Appointment Website | React.js, CSS, JavaScript

Mar 2025

- Developed responsive UI using React components and Material UI for appointment booking.
- Form validation with regex; data stored via LocalStorage.
- Connected backend to **MongoDB** for storing appointment records.

Grocery Inventory System | React.js, SQL, JavaScript

Feb 2025

- Designed and developed the frontend using React.js with dynamic UI updates through useState and useEffect.
- Integrated SQL database to store, retrieve, and manage inventory records persistently.
- Implemented add/edit/delete inventory operations with real-time sync between frontend and backend.

City Traffic Network Analysis | C++, Graph Theory

Dec 2024

- Modeled city roads as graphs and applied Dijkstra's algorithm for shortest path.

Achievements & Certifications

- Completed NPTEL course on **Python for Data Science** — gained foundational understanding in data analysis and visualization using Python.
- Certified – Workshop on **Applied Data Science & Machine Learning**, MIT — explored practical ML techniques.
- Secured **1st Rank in HSC Board Exams** — recognized as School Topper for academic excellence.

Leadership & Activities

Syntax Skit Event Organizer

Mar 2025

Event Lead

MIT Campus

- Conducted tech event combining coding with dramatics. Drafted rules, prelims, and scoring strategy.

Youth Red Cross (YRC), MIT Campus

Aug 2023 – Present

Volunteer Member

Chennai, India

- Engaged in blood donation camps, health programs, and social service initiatives.
